

CELEBRATE 2010 CHRISTMAS SEASON

@ Angelo's House Restaurant

Santa's Party Package - enjoy a traditional Roast Turkey and Roast Pork Dinner and Plum Pudding with brandy custard & ice-cream available as a party pack or featured on the daily specials until the year's end.

Celebrate in Style - festive dishes served alternatively or as a limited a la carte menu with choices. Great value party packages available with 'no room hire private rooms' or Summer verandah dining.

Cocktails in the Courtyard - avoid the formality of traditional dining with a selection of hot and cold appetizers devoured with your favourite cocktail served in our Courtyard or again in a private dining room (subject to availability).

Italian Long Lunch - kick back with a six course menu served over 3 hours finished in time for your afternoon siesta. Rent Angelo for added party value - though we can't promise you he won't drink all your wine.

Cake & Coffee - ask for today's special combination or enjoy Devonshire tea. Children very welcome

Christmas Eve Dinner - enjoy a limited a la carte menu with a two or three course price and a special children's party package with a little treat. With the luck of the Irish Italian (that's you Joe) Santa may even stop by for a quick hello.

Christmas Day Lunch - don't have breakfast!!! Feast on all things Christmas - Fresh Queensland Prawns, Oysters on half shell, Roast Turkey and Pork and much, much more, the sweets are simply too, too irresistible. Wear the party hat - go on you know you want to and a little treat for the children just incase they didn't get enough from Santa.

New Year's Eve - we know you love to party and so do we. To make things simple we haven't changed our routine so 'me & u' can head down town before the midnight hour!

Gift Voucher - simply delicious! To what ever value you like and valid for 12months. A gift that will be most appreciated (you'll always be in everyone's good books) Ideal for that difficult person to buy for or a big thankyou to that thoughtful friend or work colleague and definitely the in-laws!!!
